Cultural and Ethnic Food and Nutrition Education Materials: A Resource List for Educators
November 2013

This publication is a collection of resources on the topic of cultural and ethnic food and nutrition education materials. Resources include books, pamphlets and audiovisuals. Many of the pamphlets are available in single copies and some may also be purchased in bulk from the organization listed (Web addresses are provided for materials available online). The books and audiovisuals can be either borrowed from your local library or purchased from your local book store.

Materials included in this list may also be available to borrow from the National Agricultural Library (NAL). Lending and copy service information is provided at the end of this document. If you are not eligible for direct borrowing privileges, check with your local library on how to borrow through interlibrary loan. Materials cannot be purchased from NAL. Contact information is provided if you wish to purchase any materials on this list.

This Resource List is available from the Food and Nutrition Information Center's (FNIC) Web site at: http://www.nal.usda.gov/fnic/pubs/ethnic.pdf
A complete list of FNIC publications can be found at http://fnic.nal.usda.gov/resourcelists.

Table of Contents:

I. Books, Book Chapters, and Booklets

II. Full-Text Online Information

III. Videos, Kits, Models, and Graphics

IV. Resources in Spanish

V. Additional Contacts and Sources of Information
I. Books, Book Chapters, and Booklets

50+ Web-Based Lesson Plans for Ethnic Foods
Learning ZoneXpress
Owatonna, MN. 2011.
**NAL Call Number:** TX66.A53 2000
**Description:** Provides ways to explore ethnic foods using the Web. It includes worksheets and exercises about holidays, spices, and unique foods in over 30 different countries. Students can follow the instructions provided to complete the assignments and exercises on their own.

The Cooking Demo Book
Food and Health Communications, 2011.
**NAL Call Number:** TX.661.D63.2011
**Description:** Contains food demonstration lessons that emphasize the use of fruit, vegetables, whole grains and beans. While mostly for use with consumers, one lesson addresses training staff on food safety during food demonstrations. Ethnic Cooking lessons are also included. Lesson leader guides feature objectives, rationale, materials needed, preparation required, activity ideas, recipes, make-ahead options and garnish/presentation tips.
